Dear Eduardo:

Re: Ethnic Studies Funds, Summer/Fall 1983

Thank you for submitting your proposal for Ethnic Studies funds. I am pleased to advise you that the Ethnic Studies Advisory Committee has recommended, and I approve, an award of \$750 for the Chicano Art Videotape. The Committee feels that the Videotape is a valuable contribution to the educational materials which will be available through a national audience.

I received over twenty proposals requesting more than \$51,000 which is five times the amount of funding available. Therefore I have been unable to provide funding for many worthy projects. Most of the projects that have received support are funded at only a fraction of the request. If you find that your award is insufficient to carry out your project, please let my office know so that the monies can be returned to the Fund. Please contact Business Officer Terry Dewart (x4423) in the Social Sciences Division regarding the expenditure of funds.

A report on the activities supported by this award should be submitted to the Academic Vice Chancellor's Office by June 30, 1984. Your report should include a short evaluation of how the funds were used along with a detailed budget statement. I wish you much success in this endeavor.

Sincerely yours,

John A. Marcum  
Academic Vice Chancellor
